**LAW OF THE REPUBLIC OF INDONESIA**  
**NUMBER 28 OF 2014**  
**ON COPYRIGHT**

**Article 2**

This Law applies to:

- a. All creations and related rights products of Indonesian citizens, residents, and legal entities;
- b. All creations and related rights products of non-Indonesian citizens, non-residents of Indonesia, and non-Indonesian legal entities that are first announced in Indonesia;
- c. All creations and/or related rights products and users of creations and/or related rights products of non-Indonesian citizens, non-residents of Indonesia, and non-Indonesian legal entities, subject to the following provisions:
  1. their country has a bilateral agreement with the Republic of Indonesia regarding the protection of Copyright and Related Rights; or
  2. their country and the Republic of Indonesia are parties or participants in the same multilateral agreement regarding the protection of Copyright and Related Rights.

**CHAPTER XVII**  
**CRIMINAL PROVISIONS**

**Article 112**

Any person who, without authorization, commits the acts referred to in Article 7 paragraph (3) and/or Article 52 for commercial use shall be subject to a maximum imprisonment of 2 (two) years and/or a maximum fine of IDR 300,000,000 (three hundred million rupiahs).

**Article 113**

- (1) Any person who, without authorization, infringes economic rights as referred to in Article 9 paragraph (1) letter i for commercial use shall be subject to a maximum imprisonment of 1 (one) year and/or a maximum fine of IDR 100,000,000 (one hundred million rupiahs).
- (2) Any person who, without authorization and/or without the permission of the creator or copyright holder, infringes the economic rights of the creator as referred to in Article 9 paragraph (1) letters c, d, f, and/or h for commercial use shall be subject to a maximum imprisonment of 3 (three) years and/or a maximum fine of IDR 500,000,000 (five hundred million rupiahs).
- (3) Any person who, without authorization and/or without the permission of the creator or copyright holder, infringes the economic rights of the creator as referred to in Article 9 paragraph (1) letters a, b, e, and/or g for commercial use shall be subject to a maximum imprisonment of 4 (four) years and/or a maximum fine of IDR 1,000,000,000 (one billion rupiahs).

Any person who fulfills the elements referred to in paragraph (3) and commits the act in the form of piracy shall be subject to a maximum imprisonment of 10 (ten) years and/or a maximum fine of IDR 4,000,000,000 (four billion rupiahs).

# PREFACE

Welcome to *The ESP Spectrum: From Campus to Career*. This book is a testament to the importance of English for Specific Purposes (ESP) in bridging the academic world and professional industries. As educators and learners, we recognize that mastering English is no longer just about general proficiency—it is about equipping students with tailored linguistic and communicative skills to meet the demands of their chosen fields.

In this book, we explore the dynamic role of ESP in preparing students for successful transitions from their academic studies to their professional careers. Drawing from a wide range of case studies, theories, and practical applications, we aim to provide both educators and learners with the tools they need to navigate the complexities of specialized language learning. This book seeks to empower learners with the confidence and competence required in their professional journeys. Educators will also find guidance on designing effective ESP curricula that cater to diverse learner needs and industry expectations.

We hope this book serves as a valuable resource for students, teachers, and professionals who are passionate about enhancing their communication skills in specific contexts. Together, let us embrace the vast possibilities of the ESP spectrum and unlock new opportunities for success. Thank you for embarking on this journey with us.

Regards,

The Editorial Team

## Author's Biography

**Rahma Pitria Ningsih, M.Pd.** is a lecturer at Banjarmasin State Polytechnic who has expertise in teaching English for Specific Purposes (ESP), especially in the engineering field. She earned her Bachelor's degree in English Education at UIN Antasari Banjarmasin and a Master's degree in English Education at Palangka Raya University. Rahma has more than 10 years of experience in teaching English in a multi-level education and about 5 years in higher vocational education environment. She is active in research and community service, with a focus on technology-based learning innovations to support successful language learning. She also has contributed to the development of learning materials and interactive modules that focus on the needs of mechanical engineering, heavy equipment and automotive engineering students. One of the books that has been published is a book chapter entitled "A Handbook of English for Specific Purposes". Author can be contacted via email [rahmapitria@poliban.ac.id](mailto:rahmapitria@poliban.ac.id).

## Author's Biography

**Widyashanti Kunthara Anindita, S.S., M. Hum.** born in Kendari on March 12, 1986, the author completed a Bachelor's degree in English Literature at the Faculty of Cultural Sciences, Universitas Diponegoro, graduating in 2008. In 2011, they pursued a Master's degree at Universitas Diponegoro and graduated in 2015. Their teaching career began in 2015 at Universitas Surakarta as a

Lecturer in English Literature. In addition to teaching, they are actively involved in research, community service, and serving as a speaker at various training sessions and seminars. The author is also engaged in publishing national and international articles and books. Author can be contacted via email [wk.anindita@gmail.com](mailto:wk.anindita@gmail.com).

The Spectrum of ESP: From Campus to Career delves into the field of English for Specific Purposes (ESP), highlighting its significance in preparing students for the transition from academic settings to professional careers. The book provides a comprehensive overview of how ESP equips learners with tailored language skills and industry-specific knowledge, enabling them to navigate the challenges of specialized fields effectively. The book explores the development of ESP curricula designed to bridge the gap between theoretical education and practical application in the workplace. It focuses on how ESP addresses the unique linguistic and cultural demands of various professions, offering a blend of academic rigor and real-world relevance. The Spectrum of ESP: From Campus to Career positions ESP as an essential tool for preparing students for professional success. By integrating academic learning with workplace demands, the book demonstrates how ESP empowers learners and educators to thrive in specialized roles while contributing to their personal and professional growth.
